

The Jedi Federation Knighthood Code of Conduct

Physical Well-being:

1. Knights will maintain an appropriate level of physical fitness for their health.
2. Knights will practice awareness regarding their health and keep weight, fitness levels, and overall health in an appropriate range for their age.
3. Knights will promote, by example, healthy living by their cultural standards. This includes exercising good judgment regarding vaccinations, medications, and the use of health services.
4. Knights will maintain a high standard of grooming and hygiene according to cultural and spiritual practices.
5. Knights will not willingly participate in fad grooming and dressing standards that reflect criminal associations from any nation. This includes body modifications such as piercings, tattoos, brands, etc.

Social Well-being:

1. Knights will demonstrate measurable effort to create balance between their social, family, and Jedi responsibilities and maintain healthy relationships.
2. Knights will promote humility and kindness about the Jedi path, both in the community and outside of it.
3. Knights will treat their fellow Jedi with respect and equanimity.
4. Knights will work hard to achieve or maintain financial stability and responsibility, whatever that looks like for the individual.

Emotional Well-being:

1. Knights will practice regular self-reflection to maintain an appropriate level emotional stability for their person and circumstances.
2. Knights will show compassion and insight to the emotional motivations of others.
3. Knights will maintain a level of emotional control in public appropriate to the situation.

Spiritual Well-being:

1. Knights may maintain spiritual relations with their chosen theology or philosophy as long as no conflict of interest exists.
2. Knights will seek out spiritual aid from the proper spiritual guides, whether within the community or from external authorities.

3. Knights will make no attempt to push their spiritual/religious practices/views onto other Federation members or the public. The exception being if said Knight has agreed to perform a religious Mission, but it must be documented that said mission and Knight cannot speak on behalf of the Federation Knights or their chapter for the duration of their religious mission.

Mental Well-being:

1. Knights will continue their education and training post Knighting.
2. Knights will maintain a clear and focused mind. The use substances that alter or limit the Knight's ability to aid or act will not be used in situations where you may be called upon.
3. Knights will promote through example healthy mental awareness.
4. Knights struggling to maintain good mental health will work to correct their path, or submit themselves for Federation Assistance Review.

General:

1. Knights are responsible for maintaining their own records upon receiving Federation sanctioned Knighthood. These records are subject to review at any time upon the request of the Federation's review board.
2. Knights will adhere to all procedural guidelines and policies as laid out by the Federation. Should a Knight refuse to comply with any of the above they will be subject to a review board.
3. Knights may make appeals to the Federation Boards on behalf of Chapter and Affiliate members.
4. Knights will submit themselves for an annual Federation review.
5. Knights will exercise discretion in all public forums. They will not encourage civil unrest or voice opinion on behalf of the Federation.
6. Knights will respect the law of the land.
7. In the event of civil unrest or disaster in the Knights area of living, the Knight will make every reasonable attempt to maintain peace and aid in lawful procedures.
8. Knights are allowed to champion causes individually. Federation and Chapter championing are subject to voting procedures.
